

Happy Holidays

Dear Friend- Kola,

"Everybody should pray together, cheer along, root along. That brings the circle together. Everything is together."

-Wallace Black Elk, Lakota

We are asking for your financial support for our 2010 and 2011 initiatives. For over 10 years, Eagle's Nest Center, Inc. has brought hope and healing to many communities throughout the United States. We are grateful for and are honored to receive your ongoing support and encouragement.

During the past few years, we were fortunate to receive federal grants that enabled us to conduct much of our mission without charging communities or individuals. With the changes in the current administration priorities, we are no longer receiving federal grants. Like many other non-profits, **we now need operating funds and project funds.**

Here are some of the projects and give-away programs that your generous donation will help keep alive:

Each gift or donation helps us help someone else.

A \$75.00 Gift pays for one month's medication for a resident here.

A donation of \$100 enables us to:

Continue development of curriculum and materials to train trainers in Restorative Justice Circles as well as working with FASD clients.

A donation of \$250 enables us to:

keep one residential youth with us that month.

There are donations made to Pine Ridge Reservation and locally.
